

GREATER VALLEY SCHOOL

Greater Noida

PROSPECTUS

Our Mentor

“An educational system is worth a great deal if it teaches young minds how to make a life rather than just making a living.”

Mr Sudhir Shukla
President,
ARVR Education
Society (Regd)

Mrs Anuradha Prasad
Editor-in-chief of News 24 and
CMD BAG Networks
Mentor - Greater Valley School

OUR PRESIDENT

“There is no joy more profound that I feel, than seeing where Greater Valley has reached and that has now several major strengths:

- A solid academic programme,
- A child centred approach,
- Sensitivity to respond to the changing needs of the education sector,
- An unbeatable and positively infectious ambience.”

ADVISORY BOARD

Our Board of Advisors are experts in their fields from politics, media, corporate sector and education. They are a source of constant enlightenment; as we grow, they guide and help us find new and effective educational initiatives to achieve high standards in academics. They are passionate and dedicated to seeing GVS deliver a motivating and balanced curriculum that builds skills of independence, confidence and emotional resilience.

Mr. Vinay Kumar Srivastava
Secretary
ARVR Education Society
(Regd.)

Mrs. Rina Kaushal
Member
ARVR Education Society
(Regd.)

Dr. Shayama Chona
Recipient of Padma Shri
&
Padma Bhushan

PRINCIPAL'S MESSAGE

“I saw the angel in the marble and carved until I set him free.”

Mrs. Anamika Sood
Principal

It gives me immense pleasure and a great deal of pride in presenting to you Greater Valley, an exceptional institute, which emphasises on holistic excellence. The development of the School over the past years has been truly remarkable, it has accomplished much, making it one of the most recognised and sought after schools in the vicinity.

Established in 2008, our School's journey has taken a progressive approach to learning. We stand true to our beliefs and values; acknowledging that every child has a right to a quality education. Our focus is on learning which strengthens our students' capacities to act progressively through the attainment of relevant knowledge, useful skills and appropriate attitudes.

At GVS we bring together a sound academic achievement with an extensive and vibrant co-curricular and sports programme supporting the curriculum. We believe that every child is unique and special, and that they all are capable of learning; thus we strive to make them lifelong learners by inculcating in them a love for knowledge.

The experienced, skilful and proficient faculty of GVS, works with an endeavour to achieve the high ends of holistic development of the students. Teachers facilitate, guide and become the student's partner in their journey of self-exploration and groom them in a manner that they combat all the challenges of life with courage and valour.

I wish you the best in the course of seeking to become a part of this wonderful family. Be assured that your child will flourish and thrive in this stimulating campus.

Always in pursuit of excellence...

God Bless!

GREATER VALLEY SCHOOL

Greater Valley School, Greater Noida is a truly world class day/residential, co-ed school with a sprawling campus, housing all facilities that a modern day school can offer. A school that believes in innovative teaching strategies just as much as in building a solid foundation, guided by a highly qualified and dedicated staff who understand their role as that of a catalyst to facilitate the rapid and sustainable growth of each and every bright young talent who is a student of this school.

OUR ACADEMIC WINGS

PRE PRIMARY & PRIMARY

The School's Pre Primary wing is recognised for its caring environment where we help little learners transition smoothly from home life to school life. Their surroundings are designed to provide a creative and vibrant environment through a variety of opportunities and activities to allow every student to explore, experiment and grow as they learn.

A Play-Way, Montessori, Phonics and Theme based method of teaching is incorporated in the Pre-Primary foundation years to foster our students' social, creative, linguistic, cognitive and physical skills. Students learn best when they are fully engaged and hands-on learning is incorporated in their daily curriculum.

MIDDLESCHOOL

The School's Middle wing is planned as a whole, with the aim of providing a broad, balanced and relevant programme of study for all. We are continually upgrading our curriculum to provide for the needs of our students with the view that we can provide a personalised curriculum for all. This is set within the framework of the CBSE guidelines.

SENIORSCHOOL

We offer various combinations in Humanities, Science and Commerce streams to give our students a more meaningful and relevant career perspective. Students also have the option of choosing from Physical Education, Commercial Art, Informatics Practices and Computer Science.

The School also provides students with a college preparatory program to groom them for medical, engineering and various other foundation courses.

- The School has also been accredited by CBSE as an EXAM CENTRE for the Class X & XII Board Exams.

TOWARDS ACADEMIC EXCELLENCE

The academic curriculum in Greater Valley is designed to create tomorrow's global citizens. With the blending of the traditional chalk & talk method and latest technology, the School imparts education to children which emphasises not only upon what to learn but also how to learn.

OLYMPIADS

When done right, competition can help young children learn skills they'll use throughout their lives. The School provides its students a platform to participate in various Olympiads all through the academic year. We believe students who engage in these competitions earn critical social skills through interacting with other children, while also learning the value of hard work and developing self-esteem and self-efficacy.

ROBOTICS

Robotics helps us provide a platform beyond the traditional classroom environment to integrate multiple streams, giving our students an opportunity to build self-confidence, develop critical thinking, aid teamwork and enhance decision making. It facilitates drawing relations between concepts and real life. It develops an affinity towards technology and increases student motivation and boost their understanding of Science, Technology and Math.

SCIENCE KIT

Science is beyond laws and formulae, students need to explore, observe and deduce. Science kits give our students an opportunity to have a better absorption of learning; it assists in concrete understanding - using calculative, experiments and simulations.

ATAL TINKERING LAB

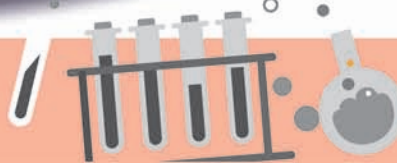

The school has the prestigious Atal Tinkering Lab established within campus. ATL is an initiative by the Government of India to foster innovation and creativity amongst young students. The ATL projects give our students an excellent opportunity to work more rigorously towards developing core skill sets through hands on learning approach and practical problem solving. With technology becoming an advantageous and prominent way to promote learning, the school has inducted the dynamic course of Augmented Reality-Virtual Reality (AR-VR) under the ATL banner.

AUGMENTED REALITY & VIRTUAL REALITY

Augmented Reality and Virtual Reality are examples of emerging technologies that are characterized by their novelty, rapid development and effects on human existence. The AR-VR set up on campus aims at adopting powerful technology to enhance the learning experience of our students.

ARTIFICIAL INTELLIGENCE

Artificial Intelligence (AI) is a simulation of human intelligence into a computer machine so that it can think and act like a human, it also aims to mimic human behaviour. The school has an extensive set up to promote Artificial Intelligence and coding amongst students from Class I upwards. The course is available as a part of curriculum and as a hobby as well.

SPORTS IS EDUCATION TOO

Greater Valley School acknowledges the significance of sports in stimulating the physical and mental growth of a child. Students' participation is considered extremely vital and is encouraged as a significant part of our School curriculum. The School's ideology is to develop in our children, through sports, values like discipline, responsibility, self-confidence, sacrifice and accountability. Sports encompasses more than just the benefits of physical activity; it imparts to our students the important lessons of team spirit, helps build character and instils in them respect for one and all.

The School constantly motivates and appreciates students for their achievements and efforts in the sports arena to build their self-esteem and confidence. GVS wholeheartedly supports the promotion of sports amongst our students. We encourage upcoming sports stars by offering 50% sports scholarship on fee to National players and 25% sports scholarship on fee to State level players.

GREATER VALLEY SCHOOL RESIDENCE

Taking forward the legacy of the Guru- Shishya Parampara, the students at the Greater Valley School Residence not only acquire education but also absorb the important life skills under the able guidance of their respective teachers and warden. Situated amidst a large & lush green campus, GVSR functions as an extension of home and provides a safe, warm, caring and understanding environment for our students.

Comfortable accommodation and lively setting ensures that the students get a sense of homeliness and a feeling of belongingness. Keeping the Indian ethos, values and culture paramount, the atmosphere in the GVSR encompasses the overall development of the students.

At GVSR , it is our sincere endeavour to make every student feel very comfortable and focus not only on their academic training but also on enhancing good character habits of life-long learning, active citizenship and building everlasting circle of friends. 'A home away from home' is what GVSR stands for; it gives the parents a reassurance that their ward is in safe and strong yet nurturing and caring hands.

- GVSR accommodates students from ages 6-18 years.

GREATER VALLEY SPORTS ACADEMY

The Sports Academy is the School's initiative to provide our students a proper platform to pursue and excel in their choice of sport post school hours. The School offers formal training in the following sports:

Shooting, Taekwondo, Tennis, Squash, Swimming, Table Tennis, Chess, Badminton, Football, Skating, Horse Riding, Golf, Cricket, Basketball and Volleyball.

GVS INFRASTRUCTURE

E-LEARNING

Greater Valley School strives to create a connected learning community where students and teachers have access to technology and are always connected. The aim is to grant students the freedom to pursue individual learning paths and at the same time, work in a collaborative environment. The School provides a Wi-Fi campus.

SMART BOARDS

All the classrooms are equipped with Smart Boards, featuring an e-learning solution that combines new age technology and classroom teaching. It provides students with an enriched learning experience by projecting visual elements and accommodating different learning theories.

LABORATORIES

The School accommodates various Laboratories that provide first-hand experience and training required to develop skills necessary for study and research. Students get a chance to explore and probe a wide range of experiments under the constant supervision of their teachers and lab-assistants.

The following laboratories are present within the campus: PHYSICS LAB, CHEMISTRY LAB, BIOLOGY LAB, MATH LAB, SOCIAL SCIENCE LAB, LANGUAGE LABS - ENGLISH/ SANSKRIT/ FRENCH/ GERMAN, ROBOTICS LAB, ARTIFICIAL INTELLIGENCE LAB – CODING, ATAL TINKERING LAB

LANGUAGE LAB

The language lab is an efficient tool that facilitates classroom engagement and interaction through computer based exercises and activities to maximize language immersion. They provide a structured e-learning setting that is successful and reliable. The language lab assists our students in learning more comprehensively and acquiring skills in listening, speaking, reading and writing the language(s).

INFIRMARY

Prime importance is given to the health and well-being of our students. The School's infirmary is manned by a qualified nursing staff. Regular medical checkups and individual medical cards are maintained annually for each student. In case of emergencies, a well-equipped ambulance is available on call for evacuation to an exclusive hospital with which we have a tie-up.

CAFETERIA

GVS provides its students with nutritious, balanced meals to keep them powered throughout the day. Our cafeteria is committed to satisfying the nutrition needs of our students, in a practical and efficient manner, while maintaining a comfortable and clean environment for food consumption. All meals are prepared in the most sanitized conditions and spontaneous checks of the facility ensure that standards are maintained. The School has a central RO plant installed in its campus which ensures filtered drinking water from all water dispensers.

LIBRARY AND RESOURCE CENTRE

The School library plays a vital role in supporting teaching and learning. Its purpose is to help every member of the School— (students and staff) to gain new information, skills and outlooks for learning and personal development that they can further utilize.

GVS has a well-equipped library with an extensive range of reference books, newspapers, magazines, periodicals and educational CD's. GVS has also incorporated various national dailies in its curriculum to acquaint our students with current affairs and to assist them in updating their reading skills using the activity based booklets and newspapers.

The School subscribes:

- Times of India— Newspaper in Education (NIE)
- Hindustan Times— Partnerships for Action in Education (PACE)

DAY CARE

Designed to offer after school care, our DAY CARE offers constructively occupied hours in a learning environment for GVS students availing day care after School.

PARENT INTERACTION PORTAL

The ERP system is a great tool to facilitate the effective flow of information between the School and parents. Parents are requested to regularly log into their ERP account; to connect, communicate, actively participate and obtain reliable updates and information about their ward and School's upcoming events and holidays.

HOBBY HOUR

The School ensures that every student gets to pursue at least one sport and one curricular activity through the academic year. The hobby hour makes it mandatory for all students to play a sport for three days a week and one curricular activity for two days a week. Our students' participation in extracurricular and sporting activities promotes socialization, development of leadership skills, focus, and of course healthy bodies with healthy minds.

LIFE SKILLS

We work diligently towards promoting balance and happiness amongst our students. Special care is taken towards their mental, physical and emotional well-being. Our school's positive atmosphere instills amongst our students a feeling of belongingness, a sense of purpose, achievement and success.
